
TIGARD CITY COUNCIL
MEETING

JANUARY 20, 2004 5 p.m.

TIGARD CITY HALL
13125 SW HALL BLVD
TIGARD, OR 97223

PUBLIC NOTICE:

Assistive Listening Devices are available for persons with impaired hearing and should be scheduled for Council meetings by noon on the Monday prior to the Council meeting. Please call 503-639-4171, ext. 2410 (voice) or 503-684-2772 (TDD - Telecommunications Devices for the Deaf).

Upon request, the City will also endeavor to arrange for the following services:

- Qualified sign language interpreters for persons with speech or hearing impairments; and
- Qualified bilingual interpreters.

Since these services must be scheduled with outside service providers, it is important to allow as much lead-time as possible. Please notify the City of your need by 5:00 p.m. on the Thursday preceding the meeting date by calling: 503-639-4171, ext. 2410 (voice) or 503-684-2772 (TDD - Telecommunications Devices for the Deaf).

MEMORANDUM

CITY OF TIGARD

TO: City Council

FROM: Gus Duenas and Jim Hendryx

DATE: January 8, 2004

SUBJECT: Resources for Council's Transportation Strategic Planning Workshop

Council is scheduled to have a Transportation Strategic Planning workshop on January 20, 2004. In an effort to help you prepare, we want to make you aware of several resources that are either available on the web or can be made available for the meeting.

Tigard's Transportation System Plan (TSP) provides a blueprint for transportation investments over the coming 20 years. It can be found at www.ci.tigard.or.us/city_hall/departments/engineering/transportation_plan/default.asp

The Capital Improvement Plan (CIP) includes improvements to City streets, storm and sanitary sewer, etc. The CIP outlines potential projects over a 5 year period and is updated each year. This can be found at www.ci.tigard.or.us/city_hall/departments/engineering/cip_projects/default.asp.

The Regional Transportation Plan (RTP) established regional priorities for transportation improvements. The RTP is administered by Metro. Tigard's TSP must conform with the RTP. The RTP can be found at <http://www.metro-region.org/article.cfm?articleid=236>.

The Washington Square Regional Center Implementation Plan evaluates both short and long-term implementation strategies for storm, transportation, natural resources, parks and open space in the Washington Square Regional Center area. It also includes funding needs. The summary report for the Implementation Plan can be found at www.ci.tigard.or.us/city_hall/departments/cd/docs/FinalSummaryReport_Consolidated.PDF.

The Major Streets Transportation Improvement Program (MSTIP) is a Washington County Capital Improvement Program. Since 1986, the County has been improving major streets throughout the region. MSTIP3B, currently under consideration, continues the program and can be found at www.co.washington.or.us/MSTIP.

TriMet has been a major focus for the City for several years with a goal of improving transit access to the residents of Tigard. Recently, Council adopted the Memo of Understanding, spelling out the process and commitment for Tigard and TriMet to work together to better serve our residents. Likewise, Council adopted the Transit Action Plan which further identifies transit priorities and needs. While these documents are not on the web, copies can be provided.

If you would like any particular small scale maps or hard copies of any of these documents, please advise so they can be provided.
